## SKETCHES MOUNTAIN RESORT

Nestled into the eastern escarpment of the Great Dividing Range and bordered by Ravensbourne National Park, the 85 hectare property that is Sketches Mountain Resort beautifully intertwines a serene bushland setting that provides panoramic views across valleys and mountains with private and indulgent self-contained chalet accommodation.

Relax on the verandah, in the spa or in front of the fire with a glass of wine, contemplating the view and enjoying the flora and fauna or practice your swing on our own Sketches full size tennis court or 9 hole golf course. With a wide range of activities and local attractions from bushwalking to skydiving, antique shopping and local wineries, there is something to suit all tastes.

Events are our speciality at Sketches and functions, conferences, weddings and honeymoons are well catered for. Ask our professional events team to create a personalised package to meet your requirements.
